Notice of Exhibition at "Chemspec Europe 2025"

We are pleased to announce that we will be exhibiting at Chemspec Europe 2025, which will take place in Cologne, Germany, from June 4th to 5th. At our booth, we will showcase our key products, with a focus on anhydrous sodium hydrosulfide and anhydrous sodium sulfide.

[Exhibited Products]

- NaSH - Sodium Hydrosulfide (Anhydrous)
- Na₂S - Sodium Sulfide (Anhydrous)
- Na₂S_x - Sodium Polysulfide (Anhydrous)

Applications:

These products are used as raw materials for all-solid-state batteries, silane coupling agents, and intermediates in pharmaceuticals and agrochemicals, among others.
